Incorrect registration also precludes students' inclusion in e-mail discussion lists. It is the student's responsibility to make certain that they are registered for the correct courses.**

## GENERAL INFORMATION

**NORMAL COURSE LOADS, LIGHT-LOADS AND OVERLOADS (*and what to do about them*):** The full-time program is 12-16 hours. The part-time program is 8-11 hours. Any deviation must be approved by the Associate Dean. Forms for overloads, light-loads or program-change forms are located on the third floor.

**COURSES WITH LIMITED ENROLLMENT:** Courses listed as having a limited enrollment will usually be filled on a first-come first-served basis. All courses offered have a limit, and are, therefore, subject to being filled. To better ensure your inclusion in a course you think will fill quickly, you are encouraged to register as early as possible. Course limits are based on (a) the pedagogical needs; and/or (b) the size of the room. Please see individual professors if you have questions regarding their enrollment policies.

**PREREQUISITES:** Students may not enroll in courses for which they lack the prerequisites. The course descriptions in the **College of Law *Bulletin*** specify the prerequisites, if any, for each course. Unless otherwise indicated, the minimum prerequisites for each elective course is the completion of all first-year full-time courses. By the way, "the Computer let me" is not an acceptable reason to ignore the prerequisite requirement. The **College of Law *Bulletin*** is available on the COL's website at:  
<http://law.gsu.edu/registrar/bulletin/>

**AUDITING COURSES:** The decision to audit a course must be made during the registration period. No adjustment from credit to audit status or audit to credit status for a course will be made after **January 11, 2008**. All audits must be approved by the professor of the course.

**INDEPENDENT RESEARCH PROJECTS:** Any student desiring to register for an Independent Research project must obtain written approval from the Associate Dean no later than **January 11, 2008**.

**WRITING REQUIREMENT COURSES:** The Schedule of Classes lists some of the courses which may satisfy the requirement. If you have questions about whether a course will satisfy the writing requirement, please contact the professor. You must complete the Writing Requirement Form, have the professor sign it and give it to Lauren or Tricia prior to graduation.

**WITHDRAWALS:** If a student drops a course during the regular or Late Registration period, the dropped course(s) will not show up on the transcript. Courses dropped after the Late Registration period, but by the midpoint, will be considered "withdrawals" and a grade of "W" will be recorded on the transcript. Courses dropped after the midpoint will receive a "WF".

Withdrawals after the midpoint are granted only in cases of hardship. Failure to follow this procedure will result in the awarding of a WF instead of a W. A grade of WF is treated as an F (55) for the purpose of computing the grade point average. Retaking the course will not expunge the WF from the student's academic record. Students who find they must withdraw after the midpoint should make an appointment with the College of Law Associate Dean to discuss their hardship as soon as they become aware of the situation.

**A NOTE TO NEW STUDENTS:** The Immunization Requirement must be completed before any registration can take place. If you have not completed this requirement, you will not be able to register for any courses. If you have questions about this, please call the Immunization Office at (404) 413-1930. The College of Law cannot remove immunization holds.

**A NOTE TO GUEST STUDENTS:** Please note that your period of attendance is stated in your acceptance letter. Guest students should also be aware that Georgia State University College of Law grades *will not be available for transfer to your home institution until after February 4, 2008*. **WE DO NOT GIVE EARLY GRADES FOR GUEST STUDENTS.**
