In the heart of downtown Atlanta, Georgia, Georgia State University College of Law was founded on the idea that legal education should be accessible and affordable. We offer part-time and full-time programs, numerous legal specialties, and an expansive experiential learning curriculum to prepare students for practice. Our faculty, students, and alumni prove that lawyers are problem-solvers, tackling society’s most pertinent legal questions in and out of the classroom. We pride ourselves on our strong sense of community and commitment to the pursuit of justice.

Choosing Georgia State College of Law is one of the most courageous and important decisions our students make. We reward that courage by committing to their growth both in and out of the classroom, allowing our graduates to become the best lawyers they can be.

Addresses for relevant agencies are at www.ncbex.org.

Information about Georgia’s character and fitness rules, as well as bar exam and admission procedures, may be found at gabaradmissions.org. Students applying for admission in states other than Georgia are encouraged to review the specific admissions requirements of those states.
