PROFESSIONAL EXPERIENCE

Legal Technologies Librarian, Georgia State University College of Law, Atlanta, GA

08/2022– Present

- Teach first-year required legal research course, as well as technology courses within the Legal Analytics and Innovation (LAI) certificate program.
- Participates in the further development of the Legal Analytics and Innovation Initiative, including developing curricular and non-curricular programming to further the goals of LAI.
- Provides support to the law library, including rotating reference shifts, ad-hoc in-person reference instruction, preparation of reference materials, and participation in law library outreach activities such as the Personal Librarian program.
- Attends and actively participates in College of Law events and faculty governance as an engaged member of the COL community.

Adjunct Professor, Indiana University Luddy School of Informatics, Computing, & Engineering, Indianapolis, Indiana

05/2020– Present

- Teach as an adjunct in the Masters of Library and Information Science program with a specific focus on topics related to government and legal information.

Reference & Electronic Services Librarian, Mercer School of Law, Macon, GA

07/2021– 08/2022

- Teach first-year Legal Research course and an online Advanced Research, as well as assisted with instruction and planning for the Topics in Advanced Legal Research courses offered at the School of Law.
- Instruct multiple single-session tutorial sessions for faculty and library staff on topics including library services, legal technology, and education technologies.
- Provide reference services, including rotating reference queue shifts, ad-hoc in-person reference instruction, participation in Faculty Liaison program, and preparation of reference materials.
- Administer the Bloomberg Law, WestlawNext, and Lexis Advance program, including instruction in the use of these legal research systems, and other electronic services for students, faculty, and librarians. Additionally, communicate and implement vendor policies and acts as the law school liaison to these companies for the purpose of managing end user needs and trainings.
- Coordinate and support law library outreach activities and marketing endeavors for student and community-based library events such as Law Day, Banned Book Week, and seasonal events.

Legal Research Services Manager, BakerHostetler, Atlanta, GA

06/2017 – 07/2021

- Manage seven professional researchers in a virtual firm-wide library environment, including basic HR functions, timecard management, and employee evaluations
- Track and evaluate research inquiries through a centralized research portal and manage workflow and work distribution across research team
- Participate in large scale projects to evaluate and address firm needs, including the creation of new content and the deployment of new technologies to meet the attorney challenges
- Serves as a content matter expert for a variety of firm initiatives related to marketing, business development, and innovation integration
- Develop, facilitate, and conduct orientation and training for all attorneys, paralegals, and summer associates across the firm, including initial onboarding
- Participate in unit-level management decision making, including budget preparation, collection development, and strategic planning
- Facilitate electronic management of resources or new product roll out for both the research staff as well as the firm at-large

Teaching Professor, University of Illinois at Urbana-Champaign College of Law, Jenner Law Library, Champaign, IL

01/2013 - 06/2017

- Taught a first-year Legal Research course and Illinois Legal Research, as well as assisted with instruction and planning for the general Advanced Legal Research courses offered at the College of Law, including spearheading the production of micro-lectures and creation of an e-based text by Law Library faculty
- Instructed multiple single-session tutorial sessions for faculty and library staff on a topics including competitive intelligence databases, screen-casting software, polling tools, survey resources, LibGuides, and law firm technology tools
- Supervised, trained, and mentored graduate assistants with their work at the reference desk, on special library projects, and through their roles as teaching assistants for the first-year legal research course
- Provided reference, research, and one-on-one instructional assistance to faculty, students, and staff of the College of Law, the University community, and the general public via phone, e-mail, and in-person inquiries.

Teaching Fellow, Southern Illinois University School of Law, Carbondale, IL

05/2011- 12/2012

- Performed research and evaluation of online and distance learning legal education programs in preparation of building online course under the direction of the Director of the School of Law's Masters of Legal Studies Program
- Prepared and edited academic proposal for new online program and related coursework for Masters of Legal Studies Program to be offered within the SIU School of Law
- Prepared and designed curriculum for online legal research and writing course for graduate students in Masters of Legal Studies Program.
- Developed, produced, and graded research and writing assignments for students in Legal Research & Writing for Non-Lawyers
- Utilized synchronous and asynchronous online instruction methods to teach students in Legal Research & Writing for Non-Lawyers

Reference Assistant, SIU School of Law Library, Carbondale, IL

05/2009 - 12/2012

- Worked under the supervision of teaching faculty on the preparation and grading of weekly research assignments for introductory research and writing course for first-year law students
- Worked on various collection development, resource compilation, and library organization projects
- Provided reference services to faculty, students, and staff of the School of Law, the University community, and the general public via phone, e-mail, and in-person inquiries at the reference desk and through the Self-Help Legal Assistance Center located within the law library
