LEGAL BRIEFS

National Shooting Sports Foundation v. Platkin (3rd Cir. 2023)

Co-authored an amicus brief by legal scholars in support of a New Jersey statute mandating reasonable controls in the marketing and sale of firearms products in a lawsuit brought by the firearms industry trade association against the New Jersey Attorney General arguing that the statute is preempted by the federal Protection of Lawful Commerce in Arms Act (PCLAA).

National Shooting Sports Foundation v. Bonta (S. Dist. CA 2023)

Co-authored an amicus brief by legal scholars in support of a California statute mandating reasonable controls in the marketing and sale of firearms products in a lawsuit brought by the firearms industry trade association against the California Attorney General arguing that the statute is preempted by the federal Protection of Lawful Commerce in Arms Act (PCLAA).

National Shooting Sports Foundation v. Ferguson (E. Dist. WA 2023)

Co-authored an amicus brief by legal scholars in support of a Washington State statute mandating reasonable controls in the marketing and sale of firearms products in a lawsuit brought by the firearms industry trade association against the Washington State Attorney General arguing that the statute is preempted by the federal Protection of Lawful Commerce in Arms Act (PCLAA).

Norman v. Xytex Corp. (Georgia State Courts, 2019-2020)

Co-authored and filed amicus briefs in the Georgia Court of Appeals and the Supreme Court of Georgia in support of parents seeking to hold a commercial sperm bank liable for marketing and selling sperm with readily knowable undisclosed genetic abnormalities which resulted in the birth of a child with disabilities.

CONFERENCES

Organized and hosted Second Annual Conference of the Academy of Food Law and Policy, Georgia State University College of Law, December 10, 2019

Organized and moderated day-long book manuscript workshops for leading scholars in the fields of torts and administrative law to discuss completed manuscripts prior to publication to generate input from other distinguished scholars in relevant fields of inquiry. Workshops have brought regularly together scholars from leading institutions such as Yale, Harvard, Columbia, Georgetown, Michigan, Stanford, and Berkeley.
